synopsis high school memoirs a journey in surrealism is a tear jerking hilarious ride for a less than ordinary high school student who battles bullies and librarians to become king of the classroom set in a small catholic high school on the north side of chicago author sean cusack takes us on a surrealistic journey through four fun filled years of triumph and tragedy in this unique epic the journey begins with sean cusack entering st bernadin high school in august of 1995 as a very young and innocent freshman student he focuses on several life changing experiences in his infant days of high school that change him forever innocence lost traces the steps sean cusack took that ultimately lead him on a path toward frequent battles with students and the school faculty and administration as a sophomore the ride most certainly takes us on a ride through fights vandalism and verbal debacles that continued to steer the vengeful ship that sean cusack had been building since a freshman he now had become the ships captain as it set sail the ride takes us through many strange and mysterious encounters that add more of a surrealist element to this budding melodrama and comedic satire sean cusacks roses bud junior year in forever remembered when he becomes a charismatic hero and leader of a rebellious group of students that pillage and plunder the school and faculty in wild and zany antics forever remembered embodies the humorous and more imaginative side of sean cusack as the journey through high school becomes more surreal senior year wraps up the trials and tribulations that sean cusack had endured thus far in his high school experience culminating into one person after years of battling the defunct administration he is molded by evil as the rebellious youth becomes totally hellbent on crippling the school in the end he loses friends respect from teachers but most of all he loses faith in his cause yet ends his high school experience with a fantastical and triumphant bow sean cusack proves that not all high school stories are the same in this turbulent and chaotic autobiography high school memoirs a journey in surrealism chronicles a strange and unique history that is truly a step above the rest

it s a challenge every teacher faces finding ways to get and keep the attention of their students getting them to engage fully in the lessons in today s world of constant connection to media and entertainment through television and the internet it is harder than ever add to that the pressures of nclb common core state standards and the danielson evaluation model putting full responsibility for student learning and growth on the teacher and we have reached a crisis how can teachers compete with this constant stream of personalized entertainment they must learn to think and teach as entertainers this is not as revolutionary a concept as it may sound the word entertain is defined as to pleasantly hold attention so teachers already entertain their students so no problem right wrong teachers are now competing for the attention of their students and the competition is

fierce they are up against professional entertainers who have spent years studying the art of entertainment without having to worry about teaching as well teachers are trained in their subjects but not in the methods and techniques used by entertainment professionals teachers must learn to plan and to think as the professional entertainers do only then can they effectively compete only then can they create captivating classes christopher bontjes has more than 40 years of experience in designing shows and entertaining audiences of all ages from the stage he also has more than 25 years of experience as a classroom teacher because his teaching specialty is music he has had the opportunity to teach students ranging in age from kindergarten through adult in create captivating classes why nclb should mean no child left bored bontjes shares the techniques used by entertainment professionals to keep audiences glued to their seats and begging for more he then applies each technique to the classroom showing teachers step by step how to use each idea in the classroom to keep students riveted to lessons and anxious to learn more these ideas and techniques are effective with all students they work regardless of age or socio economic background they work not because of who students are but because of what students are human every teacher has students they struggle to reach create captivating classes will add a myriad of new ideas to your educational bag of tricks order your copy today and learn to create captivating classes
