general george s patton old blood and guts is the biography of general george s patton a leading u s army general in world war ii in campaigns in north africa sicily france and germany 1943 1945 during world war i patton was a senior commander of the new tank corps and saw action in france after the war he was an advocate of armored warfare but was reassigned to the cavalry in world war ii he commanded both corps and armies in north africa sicily and the european theater of operations the popular image of old blood and guts contrasts with historians image of a brilliant military leader whose record was stained by a lack of personal control and his outspoken behavior general george s patton old blood and guts is highly recommended for those interested in the history and life of this controversial american army general

prime minister winston churchill crossed the rhine river on march 25th 1945 his presence was calculated to emphasize the british role in the defeat of the germans and to divert attention away from patton and the americans who had crossed the rhine at remagen two weeks earlier supreme allied commander dwight eisenhower had warned his commanders that churchill would seek to steal the limelight eisenhower ordered his commanders to refuse any requests to cross the rhine the answer must be no but when eisenhower and bradley left the prime minister seized his chance this photograph caught the moment and was printed on the front page of newspapers around the world once again the wily prime minister had captured the world s attention at the

expense of the americans the joint american canadian and british operation appeared to be primarily a triumph of british arms eisenhower bradley and patton were furious eisenhower could do nothing about the prime minister but he never forgave the american generals involved and general eisenhower had other things on his mind it took ten years and an act of congress for general william simpson to receive the fourth star due him as commanding general of the us ninth army major general john b anderson still waits his third star as commanding general us xvi corps in the meantime general in command the life of major general john b anderson is his triumphant story from the iowa cornfields to command of the largest combat corps in europe in the second world war

this is a new release of the original 1946 edition

more than killing patton a reviewer this is the story of the life and mind of george c marshall soldier and statesman as told by a distinguished writer whose own background makes him particularly qualified to discuss some of the more controversial aspects of general marshall s work since world war ii showing in quite an extraordinary way how marshall represents the strengths and weaknesses of the american tradition this book s study of the life of a great contemporary american illuminates the american scene with an insight rarely equalled in a biographical work the marshall story is neither a white wash of general marshall nor an attack on him his errors of judgment are studied at some length partly because the same pattern of behavior is visible in each of these errors but chiefly because the consequences of error were disastrous but against these errors are set his triumphs the first a personal one the others impersonal and prodigiously important because they affected the conduct of the war and the conduct of the peace his generalship and the marshall plan in this book robert payne s subject is a man who has been described by president harry s truman as the greatest living american and payne s treatment of the subject makes the marshall story a study of a man who knew exactly where he was going went there made mistakes and seemed perhaps not to belong to our own time this book will shatter some illusions about george c marshall but it will also place him in the perspective of his time and demonstrate that he may be even greater than many of us have thought him to be robert payne 1911 1983 was born in cornwall u k his father was english his mother french he was educated at st paul s school in london and at the universities of liverpool capetown in south africa munich and the sorbonne during his lifetime he had over a hundred books published on a wide range of subjects the widest range of any known author he was known chiefly for his biographies and history books among them hitler lenin stalin gandhi leonardo chaplin the christian centuries the world of art he also wrote novels and poetry librarians loved him critics raved about him orville prescott of the new york times referred to him as a literary phenomenon of astounding versatility and industry

this is a biography of the second world war hero us general george s patton

major general william s rosecrans 1819 1898 was one of the most fascinating and tragic figures of the civil war in september 1863 president lincoln and congress considered him the most able general on the union side but only one month later old rosy was removed from his command and then quickly forgotten with the edge of glory william m lamers returns this imposing colorful figure to his rightful place in history lamers examines rosecrans s experiences at iuka and corinth during the mississippi campaign the strategic brilliance that led to the withdrawal of bragg s men from tullahoma and shelbyville and his role as commander of the army of the cumberland in the tennessee battles of stone s river and the disastrous chickamauga yet

the demise of rosecrans s distinguished military career lamers illustrates was not a result of his humiliating defeat at chickamauga but of his difficult uncompromising personality and the scorn he aroused in many of his superiors including general ulysses s grant and edwin stanton lincoln s secretary of war although rosecrans fell short of greatness as a military commander lamers deftly shows that he did indeed reach the edge of glory

war is my work and i know i sound sometimes as though i liked it perhaps i do how can i tell but this war hurts everybody patton to henry j taylor 1945 general george s patton jr an inspirational leader and outstanding tactician has intrigued and confounded his biographers now utilizing untapped archival materials in both the united states and england government documents family papers and oral histories stanley p hirshson creates the most balanced portrait of patton ever written it reveals patton as a complex soldier capable of brilliant military maneuvers but also of inspiring his troops with fiery speeches that resulted in horrendous acts such as the massacres of italian civilians it explains patton s belief in a soldier s valhalla connects the family s wealth to one of america s bitterest labor strikes and disputes the usual interpretation of patton s relief from command of the third army in investigating this complex man hirshson has uncovered surprising material about a series of civilian massacres in sicily about the two slapping incidents about attempts to exploit patton s diary after his death and about patton s relations with top allied generals patton emerges as a soldier of great imagination and courage and his military campaigns make for edge of the seat reading all the drama of patton s life comes alive in this meticulously documented volume

covers the life and career of the u s army five star general from his early life in various military outposts to a career in two world wars

a new edition of the classic biographical study of the commander in chief of the military forces of the confederate states army robert edward lee meticulously researched and prepared with access to official documents and the subject s personal notes the author himself a senior ranking officer in the confederate army provides a full account of the life of general lee from the time of his birth through to his death in 1870 lee s background in the service of the united states army his participation in the mexican war and other events are detailed before the main body of the book focuses on the american civil war era after turning down an offer to head up the union army lee resigned his commission and offered his services to his home state of virginia and the confederate states of america from there his meteoric rise to commander in chief and personal leader of the army of northern virginia the confederacy s most powerful army is told in gripping detail each event unfolds in the narrative as its subject would have experienced it himself providing a continually fresh perception of the terrible events of 1861 to 1865 at first serving as a senior military adviser to confederate president jefferson davis lee was appointed commander of the army of northern virginia in june 1862 after his predecessor was wounded lee s first great victory warding off an attack on the confederate capital of richmond cemented his tenure and thereafter followed four years of ebb and flow of great and bloody events including the second battle of bull run the invasion of maryland the battles of antietam fredericksburg chancellorsville gettysburg the wilderness spotsylvania and the siege of petersburg finally overcome by superior numbers nearly out of supplies and his great army reduced to just 26 000 men lee was finally forced to surrender in april 1865 effectively ending the war the value of this work lies not in the description of the battles themselves but rather in the personal perception provided by seeing

them through lee's eyes in this vein the final section of the book provides an overview of the last five years of the general's life including a highly elucidating interview on the topics of the day completely reset contains all 25 original illustrations digitally restored to better than original and a short biography of the author

this is the first biography of one of the most important and yet least known american leaders of world war ii sandy patch the seventh army commander who led his troops to victory at guadalcanal and made a vital contribution to allied successes in europe in 1944 45

a biography of the american general george patton who became famous during world war ii

provides a comprehensive history of the first fifty years of the united states air force judge advocate general's department jag

what a great book that covers a great soldier and general huntington b hunt downer jr major general usa retired winner of the 2016 army historical foundation distinguished writing award fox conner presents the portrait of the quintessential man behind the scenes in u s military history john j pershing considered fox conner to have been a brilliant soldier and one of the finest characters our army has ever produced during world war i general conner served as chief of operations for the american expeditionary force in europe pershing told conner i could have spared any other man in the a e f better than you dwight d eisenhower viewed fox conner as the outstanding soldier of my time in the early 1920s conner transformed his protégé eisenhower from a struggling young officer on the verge of a court martial into one of the american army's rising stars eisenhower acknowledged fox conner as the one more or less invisible figure to whom i owe an incalculable debt this book presents the first complete biography of this significant but now forgotten figure in american military history in addition to providing a unique insider's view into the operations of the american high command during world war i fox conner also tells the story of an interesting life conner felt a calling to military service although his father had been blinded during the civil war from humble beginnings in rural mississippi conner became one of the army's intellectuals during the 1920s when most of the nation slumbered in isolationism conner predicted a second world war as the nation began to awaken to new international dangers in the 1930s president roosevelt offered fox conner the position of army chief of staff which he declined poor health prevented his participation in world war ii while others whom he influenced including eisenhower patton and marshall went on to fame

as the u s army's chief of staff through world war ii george catlett marshall 1880 1959 organized the military mobilization of unprecedented number of americans and shaped the allied strategy that defeated first nazi germany then imperial japan as president truman's secretary of state and later as his secretary of defence during the korean war marshall the statesman created the european recovery act known as the marshall plan and made possible the berlin airlift ed cray in this masterful biography brings us face to face with a genuine american hero and the winner of the nobel peace prize

like earlier editions this thoroughly updated sixth edition of the classic textbook provides readers with a basic understanding of the library of congress classification system and its applications the library of congress classification system is used in academic legal medical and research libraries throughout north america as well as worldwide accordingly catalogers and
