poignant and thoughtful new novel from a modern master Stewart O'Nan is renowned for illuminating the unexpected grace of everyday life and the resilience of ordinary people with humor, intelligence, and compassion. In *Henry* himself, he offers an unsentimental, moving story of a twentieth-century everyman: soldier, son, lover, husband, breadwinner, churchgoer. Henry Maxwell has spent his whole life trying to live with honor. A native Pittsburgher and engineer, he's always believed in logic, sacrifice, and hard work. Now seventy-five and retired, he feels the world has passed him by. It's 1998; the American century is ending, and nothing is simple anymore. His children are distant, their unhappiness a mystery. Only his wife, Emily, and dog, Rufus, stand by him, once so confident as Henry's strength and memory desert him. He weighs his dreams against his regrets and is left with questions he can't answer: Is he a good man? Has he done right by the people he loves? And with time running out, what realistically can he hope for? Like Emily, O'Nan's beloved portrait of Henry's wife, *Henry* himself is a wry, warmhearted portrait of an American original, a man who believes he's reached a dead end only to discover life is full of surprises.

named a great American novel by *The Atlantic* from the international bestselling author of *In the Time of the Butterflies* and *Afterlife*, *How the Garcia Girls Lost Their Accents* is poignant, powerful, beautifully captures the threshold experience of the new immigrant where the past is not yet a memory. *The New York Times* book review don't miss Alvarez's new novel, *The Cemetery of Untold Stories*. Available now, acclaimed writer Julia Alvarez's beloved first novel gives voice to four sisters as they grow up in two cultures: the García sisters Carla, Sandra, Yolanda, and Sofía, and their family must flee their home in the Dominican Republic after their father's role in an attempt to overthrow brutal dictator Rafael Trujillo is discovered. They arrive in New York City in 1960 to a life far removed from their existence in the Caribbean. In the wondrous but not always welcoming U.S., their parents try to hold on to their old ways, as the girls try to find new lives by straightening their hair and wearing American fashions and by forgetting their Spanish. For them, it is at once liberating and excruciating to be caught between the old world and the new. Here, they tell their stories about being at home and not at home in America. Alvarez helped blaze the trail for Latina authors to break into the literary mainstream with novels like *In the Time of the Butterflies* and *How the García Girls Lost Their Accents*, winning praise from critics and gracing best-seller lists across
