georges simenon s 75 novels and 28 short stories that feature chief
inspector jules maigret provide us with a great deal of information

about the french police detective but only in small episodic doses as readers become acquainted with maigret one detail at a time he slowly takes on a flesh and bone realism not merely a character in a story but someone we would like to meet in real life this book presents all the canonical facts and details about the detective and his world in one place presented with tabulations and analyses that enable a better understanding of the works and of maigret himself

adam and eve in scripture theology and literature sin compassion and forgiveness is an extended consideration of the narrative of adam and eve first seen in the hebrew bible but given new life by st paul in the new testament paul s treatment of adam and eve especially his designation of christ as a second adam has had an enormous influence in christianity peter ely follows this rich narrative as it develops in history providing the basis of the doctrine of original sin in christianity giving rise in modern times to theological speculation and entering thematically into mysticism and literature the power of the adamic narrative can only be realized if one treats it as a true but non historical myth the truth of the myth lies in its ability to stimulate thinking and so reveal the depths of human experience augustine understood that so did julian of norwich and even the belgian author of mystery stories georges simenon who had a deep sense of the universality of human weakness and the possibilities of redeeming what was lost simenon s detective maigret saw himself as a mender of destinies the doctrine of original sin the notion that human beings share a common vulnerability can open the way to compassion and forgiveness as shakespeare illustrates in measure for measure the awareness of weakness in ourselves should move us to compassion for others the recognition of a kind of democracy of sin can keep us from considering ourselves better than others unlike them in their weakness and entitled to stand in judgment of them thus compassion opens the door to forgiveness the progress from sin to compassion to forgiveness forms the heart of this work

the most comprehensive account of georges simenon s life and work in either english or french from his youth and adolescence in belgium through his spirited beginnings as a writer of pulp fiction in the paris of the 20s his invention of maigret in 1930 his turn to straight fiction in the 30s and from the 40s on his prolific output of detective and straight fiction his obsession with women and his major friendships jean renoir charlie chaplin thornton wilder and others are detailed also critical evaluations of his fiction including the largely ignored pulp fiction simenon s relationship to popular traditions literature detective fiction high literature and the critics are offered the photographs are rare and revealing e g

with Josephine Baker cutting up in a bistro

for nearly a century the work of Belgian crime writer and psychological novelist Georges Simenon creator of Chief Inspector Maigret has captivated readers worldwide this investigation situates Simenon's work in its historical context and interprets it as a reaction to shifting gender relations in Western society Simenon's compelling narratives capture the anxieties of men whose patriarchal position was under threat in an era of insurgent feminist movements these concerns are also evident in Simenon's pervasive preoccupation with sexuality as well as his political stance that stems from his petit bourgeois upbringing this groundbreaking study includes interwoven commentary on all 191 novels Simenon published under his own name including several that have never been translated into English as well as a number of short stories and several pseudonymous works

many of the reports include papers

a writer as comfortable with reality as with fiction with passion as with reason John Le Carré during a high profile hunt for the latest criminal gang to hit Paris Maigret is determined to track down the murderer of a quiet crook whom he cannot help but respect when the body of Honoré Cuendot an old burglar acquaintance of Maigret's is found in the Bois de Boulogne with his face bashed in Maigret is appalled that his superiors consider it a mere gangland killing and there's a personal element to this case as well Maigret rather liked Cuendot instead of concentrating on the flashy bank robberies occupying the rest of his department Maigret decides to inquire into Cuendot's life and finds himself tied up in the bank robberies too along the way a deliberate involving murder mystery that only the likes of our trusty inspector could solve Maigret and the lazy burglar reveals that Maigret's famous intuition is only one of his skills and that his incredible empathy is just as important for bringing about justice

in the luxury hotel Majestic the French wife of a wealthy American businessman is discovered murdered in a locker in the hotel's dank basement the story touches on the illusions of class the fragility of respectability and the dark secrets that can unite the most unlikely people

the Babel Guide has 150 original reviews of books by over 100 authors from France Quebec North and West Africa Belgium and Switzerland each review provides a kind of trailer for the work and is followed by an excerpt as a taster it introduces big names of

french literature such as sartre camus colette and duras and a collection of less familiar writers such as driss chraibi and madeline bourdouxhe it includes a database of french fiction translated in the uk since 1950 with original titles and current prices this is the third in a series of accessible and illustrated guides to world fiction available in english translation aimed at journalists academics teachers and the ordinary reader the reviews let potential readers have a idea as to whether a work might suit them

presents critical studies of more than 270 authors of detective and mystery fiction from around the world dating from the mid eighteenth century to the present day

on rue de turenne two human teeth are found in the old furnace of a flemish bookbinder who is taken into custody a neighboring shoemaker is willing to talk but his stories vary with each trip he makes to the local tavern the case seems impossibly perplexing until madame maigret leaves her kitchen to offer her husband able assistance a helen and kurt wolff book

a reference book for librarians and users of public libraries which provides easy access to information on good recreational reading this revised edition features expanded coverage of mystery and science fiction new indexes allow access by subject genre and main characters
