in the english speaking western world alone thousands of men and women begin formal training for christian ministry each year or informally  
seek to equip themselves for pastoral ministry over the past fifty years the ancient world of virtue ethics has been re imagined as a means of

forming people of character and morality today in shaped for service this experience is used as the framework to understand what we are doing as we form christian ministers now and how we might strengthen that development by more consciously linking the practices of ministry with the person spirituality and wisdom of the practitioner writing from the context of a lifetime of pastoral ministry and the oversight of ministers in the baptist union of great britain goodliff explores what pastors do and who they are called to be using a mixture of theological and pastoral enquiry reflections upon art and personal story this book will be of interest to those who are charged with forming the next generation of ministers but anyone beginning that journey of formation for ministry themselves will also find this vision of ministry challenging and inspiring

this book offers a comprehensive analysis of india s evolving relationship with sovereignty in a complex global order moving beyond conventional narratives it examines how the sovereignty principle shapes india s behavior across four critical domains from traditional military power to contemporary data governance since gaining independence in 1947 india has positioned itself as a fierce defender of sovereignty on the world stage from its pioneering advocacy of non alignment during the cold war to its reputation for diplomatic resistance against great power pressures india s commitment to this principle has been a defining feature of its foreign policy yet as this incisive volume reveals india s interpretation and application of sovereignty has undergone significant transformation over time through meticulous analysis of india s military interventions in neighbouring states its evolving stance on bilateral investment treaties the complex hydro politics of india china relations and its emerging positions on data sovereignty and technology governance this study provides a nuanced understanding of when why and how india s commitment to sovereignty principles shifts across different contexts this volume is essential reading for scholars and graduate students of international relations south asian studies and global politics it will also appeal to policymakers diplomats and professionals engaged in international law security studies and global governance who seek deeper insights into india s strategic positioning in world affairs the chapters in this book were originally published as a special issue of india review
