inspired by history our story is a beautifully illustrated collection of original stories from some of canada s most celebrated aboriginal writers asked to explore seminal moments in canadian history from an aboriginal perspective these ten acclaimed authors have travelled through our country s past to discover the moments that shaped our nation and its people drawing on their skills as gifted storytellers and the unique perspectives their heritage affords the contributors to this collection offer

wonderfully imaginative accounts of what it s like to participate in history from a tale of viking raiders to a story set during the oka crisis the authors tackle a wide range of issues and events taking us into the unknown while also bringing the familiar into sharper focus our story brings together an impressive array of voices inuk cherokee ojibway cree and salish to name just a few from across the country and across the spectrum of first nations these are the novelists playwrights journalists activists and artists whose work is both aboriginal and uniquely canadian brought together to explore and articulate their peoples experience of our country s shared history these authors grace insight and humour help all canadians understand the forces and experiences that have made us who we are maria campbell tantoo cardinal tomson highway drew hayden taylor basil johnston thomas king brian maracle lee maracle jovette marchessault rachel qitsualik

aboriginal literature is a growing field with a rapidly expanding global audience the book represents a range of writers it includes highly acclaimed aboriginal writers whose works are widely recognised kim scott doris pilkington garimara melissa lucashenko and other writers whose works are on the ascendancy romaine moreton and jeanine leane this book contributes to the understanding of aboriginal literature and of how these writers developed as writers see cambriapress com books 9781604979114 cfm for reviews author bio and more book information on this cambria press publication this book is an essential resource for anyone with more than a passing interest in aboriginal writing and australian literature philip morrissey head of australian indigenous studies university of melbourne

this book examines race relations in australia through various media representations over the past 200 years the early colonial press perpetuated the image of aboriginal people as framed by early explorers and stereotypes and assumptions still prevail print and television news accounts of several key events in recent australian history are compared and reveal how indigenous sources are excluded from stories about their affairs journalists wield extraordinary power in shaping the images of cultures and people so indigenous people like those in north america have turned away from mainstream media and have acquired their own means of cultural production through radio television and multimedia this study concludes with suggestions for addressing media practices to reconcile indigenous and non indigenous people this study will appeal to students and scholars studying mass media particularly journalism and public relations australian history and sociology

exploring the relationship between the role of education and indigenous survival digital storytelling in indigenous education is an ethnographic exploration of how digital storytelling can be part of a broader project of decolonization of individuals their families and communities by recounting how a remote indigenous métis community were able to collectively imagine plan and produce numerous unique digital stories representing counter narratives to the dominant version of canadian history poitras pratt provides frameworks approaches and strategies for the use of digital media and arts for the purpose of cultural memory community empowerment and mobilization the volume provides a valuable example of how a community based educational project can create and restore intergenerational exchanges through modern media and covers topics such as introducing the métis and their community decolonizing education through a métis approach to research the ethnographic journey and translating the work of decolonizing to education digital storytelling in indigenous education is the perfect resource for researchers academics and postgraduate students in the fields of indigenous education comparative education and technology education or those looking to explore the role of modern media in facilitating healing and decolonization in a marginalized community

there has been a growing interest in the role of arts and cultural practice in tackling perennial forms of social exclusion marginalization and oppression researchers and educators from different disciplines have been collaborating with community based agencies and community groups to forge new ways to challenge these forms of exclusion this volume discusses how various social actors work in interdisciplinary and cross institutional ways to push an agenda that privileges those individuals and groups who experience and live at the front line of social inequality discrimination racism and oppression for instance what new understandings are generated through creative interdisciplinary action oriented work and the implications for social action and transformation how are community pedagogies constructed and communicated through arts based research contemporary and innovative mediums such as creative performances arts technologies mixed cultural practices and social media and networking this collection of articles blurs the lines between cultural practice and knowledge production with the process and products coming in the forms of theories creative methodologies and a range of arts together these act as powerful pedagogical tools for engaging in social justice and transformative work the

contributions further highlight the multifaceted and diverse ways of creating and disseminating knowledge and the attempts to decenter text based ways of communicating in hopes of sharing collaborative knowledge beyond the academy and engaging the public this volume was originally published as a special issue of the international journal of inclusive education

this volume raises questions about why oral celebrations of language receive so little attention in published literary histories when they are simultaneously recognized as fundamental to our understanding of literature it aims to prompt debate regarding the transformations needed for literary historians to provide a more balanced and fuller appreciation of what we call literature one that acknowledges the interdependence of oral storytelling and written expression whether in print pictorial or digital form rather than offering a summary of current theories or prescribing solutions this volume brings together distinguished scholars conventional literary historians and oral performer practitioners from regions as diverse as south africa the canadian arctic the roma communities of eastern europe and the music industry of the american west in a conversation that engages the reader directly with the problems that they have encountered and the questions that they have explored in their work with orality and with literary history

this publication looks at how change takes place in museums built around a series of case studies outlining the way ethnographic museums historic sites and art galleries come to terms with issues of diversity and change it is devoted to exploring diversity and promoting intercultural dialogue in museum practice publisher s description

exploring the various forms of indigenous storytelling in australia and new zealand this study is a great contribution to the recovery and accurate representation of the past often telling the same story from different perspectives it examines the places of life stories and of memory in history who tells life stories and the purpose for which they are told the role of story and history in the politics of land claims and the impact of language on research and writing are also discussed in this comprehensive critical and analytic approach to the nature of stories

kniha inscribing difference and resistance indigenous women s personal non fiction and life writing in australia and north

america zkoumá jak literárně esejistická tvorba domorodých obyvatel v usa kanadě a austrálii publikovaná v 90 letech 20 století přispěla k formování teoretických východisek tzv indigenous feminism indigenní či domorodý feminismus a zároveň přispěla k přepsání dominantní historiografie v kontextu těchto osadnických kolonií rozbor textů paully gunn allen a anny lee walters z usa lee maracle a shirley sterling z kanady a jackie huggins a doris pilkington garimara z austrálie ukazuje jak tyto autorky využívají hybridní multi žánrový styl kombinující literární kritiku historiografii auto biografické psaní a fikčně laděné příběhy k literárnímu vyjádření své odlišné kulturní identity transgeneračního traumatu z kolonizace a resistance vůči násilné asimilaci

with play scripts essays and interviews this collection explores the character and purpose of northern theater groups in alaska canada greenland lapland and northern russia

this anthology compares scholarly findings from around the world to comment on the creation definition and use of archival evidence in the writing of history

the unique and influential methods of de ba jeh mu jig theatre are traced from its founding in the mid 1980s to the present the range of productions and personalities shows the ability of north america s longest running aboriginal theater to create a strong lasting community this book explores the successes and lessons learned by the creators of de ba jeh mu jig in their own words

native peoples of north america still face an uncertain future due to their unstable political legal and economic positions views of their predicament continue to be dominated by non indian writers in response a dozen native american writers here reclaim their rightful role as influential voices in debates about native communities these scholars examine crucial issues of politics law and religion in the context of ongoing native american resistance to the dominant culture they particularly show how the writings of vine deloria jr have shaped and challenged american indian scholarship in these areas since 1960s they provide key insights into deloria s thought while introducing some critical issues confronting native nations collectively these

essays take up four important themes indigenous societies as the embodiment of cultures of resistance legal resistance to western oppression against indigenous nations contemporary native religious practices and native intellectual challenges to academia essays address indigenous perspectives on topics usually treated by non indians such as role of women in indian society the importance of sacred sites to american indian religious identity and relationship of native language to indigenous autonomy a closing essay by deloria in vintage form reminds native americans of their responsibilities and obligations to one another and to past and future generations this book argues for renewed cultivation of a native american studies that is more indian centered

listed in native residential schools in canada a selective bibliography
