dr tom arno will tell you without reservation that marcus welby is an inaccurate portrayal of the american physicians demeanor grossly inaccurate understandably in the sixties we wanted to think doctors were calm and self assured but welby never showed himself emotionally he was

milquetoast toast a shoe salesman wearing a white coat ben casey was considerably more believable if only because vince edwards who played the title role was intense and brooding lending him an air of professional pique and borderline arrogance truth be told ole bens character is pretty close to the real thing with internship and residency when competition fierce and everyones jockeying for position with the higher ups come to think of it maybe ben was cranky from fatigue an occupational hazard especially during training years that is the truth and i know because i lived through it the american people need to be informed about the reality of medical school and beyond and how doctors are affected spiritually and physically personally and professionally no one sails through it unscathed no one is immune
