an outspoken commentator on Malaysia's social and political affairs Marina Mahathir takes on the issues, ideas and institutions of the day in her latest book *Telling It Straight*. She highlights unpalatable truths, derides tired old ways and challenges the status quo. She asks the questions that need to be asked and is unafraid of proposing solutions. In *Telling It Straight* she touches on subjects as diverse as human trafficking, the underclass, flash mobs, Islamic law, enforcement, corruption and plain idiocy. She defends the rights of the discriminated and makes clear her stand for individual integrity and her respect for diversity and dissent. Marina's fortnightly column has been published in the *Star* newspaper for more than 20 years. *Telling It Straight* contains the best of her columns published from 2003 to 2012, as well as the original versions of several pieces that were banned, spiked or censored. Her columns are presented thematically, many of them with specially written introductions.
