the authors rush headlong into the matrix exploring the trilogy s intricate details religious undertones and eclectic philosophies

eschatology is the study of the last things death judgment the afterlife and the end of the world through centuries of christian thought from the early church fathers through the middle ages and the reformation these issues were of the utmost importance in other religions too eschatological concerns were central after the enlightenment though many religious thinkers began to downplay the importance of eschatology which in light of rationalism came to be seen as something of an embarrassment the twentieth century however saw the rise of phenomena that placed eschatology back at the forefront of religious thought from the rapid expansion of fundamentalist forms of christianity with their focus on the end times to the proliferation of apocalyptic new religious movements to the recent and very public debates about suicide martyrdom and paradise in islam interest in eschatology is once again on the rise in addition to its popular resurgence in recent years some of the worlds most important theologians have returned eschatology to its former position of prominence the oxford handbook of eschatology will provide an important critical survey of this diverse body of thought and practice from a variety of perspectives biblical historical theological philosophical and cultural this volume will be the primary resource for students scholars and others interested in questions of our ultimate existence

40 days of solidarity with the poor

this revealing collection presents a selection of twenty poets prophets and preachers who share their understandings of what makes a good spiritual life they draw on their professional experiences and as important grace us with their personal thoughts the result is essentially a textbook for spirituality courses exposing readers to the spiritual lives of a

wonderfully diverse group of people with a wide range of christian experiences every reader is sure to find a perspective with which he or she can identify

using the work of c s lewis as a starting point markos examines the key popular apologists and arguments that shape the intellectual defense of the christian faith today

a beautiful retelling of the last week in the life of jesus christ from john 13 21 including 17 dramatic illustrations by rob pepper this unique work captures the urgency of the last living disciple telling his students about the most significant event in history it includes first person commentary told in john s voice with comments from matthew mark and luke the compelling story gives the reader the sense of being around a campfire with first century believers hearing the story directly from john so come into the story smell the mixture of the salty air and billows of smoke floating from the bonfire and hear the last eyewitness

beyond reasonable doubt is not just another book among many tackling the issues surrounding the role of women in the church after witnessing discussions on this topic in settings as varied as the seminary classroom the foyers in the local church and even his own living room scott womble sought to bring these perspectives into one holistic discussion the result is a comprehensive resource which addresses theology exegesis and everyday life utilizing the hypothetical setting of a courtroom womble argues that the case which sentences women to secondary roles in ministry demands a retrial an accumulation of 95 solid arguments is presented on behalf of the women who need a defense attorney as they await the verdict regarding their place in the church his 95 theses raise more than reasonable doubt and clearly show that women must be released into ministry scott womble b s saint louis christian college m div lincoln christian seminary is professor of biblical studies at saint louis christian college where he also serves as the adults in ministry coordinator prior to joining the college in 2002 womble served as full time preaching minister in central illinois for seven years he still regularly fills the pulpit on sunday mornings having preached at over fifty churches he is a regular book reviewer for the stone campbell journal womble is an avid sports enthusiast scott and his wife lisa have been married twenty three years and have two children amanda and michael

deciphers the matrix movie trilogy from the standpoint of christian thought

the voice a scripture project to rediscover the story of the bible

for god expressed his love for the world in this way he gave his only son so that whoever believes in him will not face everlasting destruction but will have everlasting life john 3 16 the gospel of john is the bible s most beautiful portrait of true love where other gospel writers prove the validity of jesus claims through his lineage and fulfilled prophecy john calls us to see the embodiment of love when you enter into this magnificent story you will find that his love is irrefutable proof that jesus is the king who came to free all people chris seay has beautifully retold the gospel of john with fascinating first person commentary from john s perspective revealing the voice of god as clearly as it was heard in john s own time chris seay is a pastor internationally acclaimed speaker and president of ecclesia bible society he is the author of several books including the gospel according to tony soprano the gospel reloaded with greg garrett faith of my fathers and the last eyewitness the final week features include text size point 9 5 thomas nelson bibles is giving back through the god s word in action program donating a portion of profits to world vision we are helping to eradicate poverty and preventable deaths among children learn more and discover what you can do at seegodswordinaction.com

wilson examines the relationship between gnosticism and the cinema

this account of the gospel of mark includes running commentary to apply the truth of the gospel along with the uniqueness of the translation technique to the emerging church like the original greek version of mark the voice of mark is raw and to the point

for more than 50 years science fiction films have been among the most important and successful products of american cinema and are worthy of study for that reason alone on a deeper level the genre has reflected important themes concerns and developments in american society so that a history of science fiction film also serves as a cultural history of america over the past half century m keith booker has selected fifteen of the most successful and innovative science fiction films of all time and examined each of them at length from cultural technical and cinematic perspectives to see where they came from and what they meant for the future of cinema and for america at large from invasion of the body snatchers to star wars from blade runner to the matrix these landmark films have expressed our fears and dreams our abilities and our deficiencies in this deep seeking investigation we can all find something of ourselves that we recognize as well as something that we ve never recognized before the focus on a fairly small number of landmark films allows detailed attention to genuinely original movies including forbidden planet invasion of the body snatchers 2001 a space odyssey planet of the apes star wars close encounters of the third kind alien e t the extra terrestrial blade runner the terminator robocop the abyss independence day and the matrix this book is ideal for general readers interested in science fiction and film

thinking otherwise is a unique and revealing look at the philosophical dimensions of information and communication technology ict among thinkers the importance of what transpires within the virtual world is the effect these activities have on real human beings who exist outside of and beyond the computer generated virtual environment obviously the result of ict interactions can lead to good or bad outcomes gunkel however is not concerned about deciding which argument is more compelling but how these arguments are organised articulated and configured this approach entails challenging criticizing and even changing the terms and conditions of the discourse itself for example the binary nature of computer logic tends to colour debate about subsequent issues by portraying each side as the antithesis of the other that is the switch is turned on or off thinking otherwise investigates the unique quandaries complications and possibilities introduced by a form of otherness that veils through technology the identity of the other therefore gunkel formulates alternative ways of proceeding to take into account additional forms of otherness gunkel submits traditional forms of philosophical reasoning to a critical reevaluation caused by opportunities made available with information technology and also develops alternative ways of thinking that are oriented otherwise
