absurd person singular a scathing comedy of social striving in the suburbs this play follows the fortunes of three couples who turn up in each others kitchens on three successive christmases to hilarious and devastating effect page 4 of cover

a student edition of five one act plays by britain s most popular playwright ayckbourn s series of plays for 4 5 actors typify his black comedies of human behaviour first produced in 1976 the plays are alternately naturalistic stylised and farcical but underlying each is the problem of loneliness the mother figure shows a mother unable to escape from baby talk in the drinking companion an absentee husband attempts seduction without success in between mouthfuls a waiter oversees a fraught dinner encounter a garden party gets out of hand in gosforth s fete whilst a talk in the park is a revue style curtain call piece for the five actors whether the comedies concern marital conflict infidelity or motherhood and take place on a park bench or at a village fete the characters are familiar and their cries for help instantly recognisable principally he is respected as a radical re inventor of form dominic dromgoole

this wide ranging companion to modern british and irish drama offers challenging analyses of a range of plays in their political contexts it explores the cultural social economic and institutional agendas that readers need to engage with in order to appreciate modern theatre in all its complexity an authoritative guide to modern british and irish drama engages with theoretical discourses challenging a canon that has privileged london as well as white english males and realism topics covered include national regional and fringe theatres post colonial stages and multiculturalism feminist and queer theatres sex and consumerism technology and globalisation representations of war terrorism and trauma

adult learners of ancient greek are often attracted to it by the prospect of being able to read in the original a particular author or genre greek philosophical writing and plato in particular is often the target this book s material has been

tried and tested by the author over the years with adult classes and can be used as a course textbook or as a handbook for self teaching each of 25 sections is clearly laid out with tabulation of greek word forms and grammar each includes ample exercises and practice in reading greek sentences readings in later sections consist of passages of continuous greek from plato s meno a typical platonic dramatic dialogue

in laughter in the dark a comprehensive study of the plays of alan ayckbourn britain s most prolific contemporary dramatist albert e kalson demonstrates that a recurring character is a development of the persona of the author himself the protagonist with a divided personality in ayckbourn s first play the square cat a reluctant rock star who longs for a conventional life splits into opposing characters in his later works in the recent the revenger s comedies a man sharing his author s offstage diffidence finds himself in the control of a flamboyant woman who is as ayckbourn himself has been both performer and director as she manipulates her way to the top of a multinational corporation mirroring the britain of the thatcher years once considered a mere farceur ayckbourn has won critical respect as his plays reflect the breakdown of self family and community the moving portrait of a woman on the brink of insanity in just between ourselves is a development of the square cat s dissatisfied housewife who reemerges as the giddily bewildered wife of a philandering husband in the delightfully frothy relatively speaking madness is more fully more darkly etched in woman in mind and leads to the more disturbing madness of the world at large in the revenger s comedies even to that of the universe itself in wildest dreams ayckbourn has explored the encroachment of evil within the social and political contexts of way upstream a small family business and man of the moment and his nightmare vision of the future in henceforward seems uncomfortably close to the contemporary automated world in which man is replaced by machine kalson explores what he calls the ayckbourn a effect like bertolt brecht s verfremdungseffekt ayckbourn s method insists on an audience s awareness of the actor at once as character and performer but unlike brecht s

didactic works aimed at rousing an audience to action ayckbourn uses his effect to heighten an audience s exhilaration laughter he knows does not preclude the engagement of the mind brecht distances his audiences by suggesting unperformed alternate possibilities ayckbourn engages his audience by providing those alternates in how the other half loves the overlapping of time and place provides a telling commentary on britain s class structure the technique leads ayckbourn to expand the limits of theatrical presentation even further with alternate scenes in sisterly feelings even alternate plays in the norman conquests climaxing with intimate exchanges an extraordinary work for two performers that moves in sixteen directions stemming from a woman s seemingly trivial decision whether to have or not to have a cigarette the role in our lives of chance and or choice is a recurring concern for a playwright who never loses sight of his primary function to entertain his audience remarkably as ayckbourn s plays darken that audience continues to roar with laughter but after the laughter comes a contemplation of a less than perfect world book jacket title summary field provided by blackwell north america inc all rights reserved

this book explores the range of ayckbourn s work which covers light comedy farce theatrical cartoon musicals and plays for children it defines the early influences and the developing themes concentrating on the writer s technical skills and his challenges to aristotelian unities
