this book revises the existing account of the first rudd government s engagement with china placing australian foreign direct investment screening policy at the centre of the story at the time the rudd government was accused of holding an unnecessarily interventionist approach to chinese sovereign owned enterprise investments into the australian mining sector this book claims that the australian government had a deep and coherent understanding of the problem posed by chinese investments that went well beyond any simplistic china inc or geopolitical threats the key policymakers believed that the chinese state directed investments threatened the integrity of the liberal governance structures on which the australian state is founded and so australian sovereignty itself while the response of the rudd government was largely ineffectual the logic underpinning it remains the best framework for guiding australia s engagement with china into the 2020s as well as the engagement of other liberal states coming to grips with china s rise

while political scientists and political theorists have long been interested in social and political performance and theatre and performance researchers have often focused on the political dimensions of the live arts the interdisciplinary nature of this labor has typically been assumed rather than rigorously explored this volume brings together leading scholars in the fields of politics and performance drawing on experts across the fields of literature law anthropology sociology psychology and media and communication as well as politics and theatre and performance to map out and deepen the evolving interdisciplinary engagement organized into seven thematic sections the volume investigates the relationship between politics and performance to show that certain features of political transactions shared by performances are fundamental to both disciplines and that to a large extent they also share a common communicational base and language
