private security defensive weapons and martial arts this program was  
designed specifically for private security guard training in the state  
of pennsylvania

developing a security training program focuses on how to establish a  
comprehensive training program for a security department from the ground  
up this book highlights formal curriculum development consistent and  
continual training and the organizational benefits including how such  
security training will be a value add it s long overdue for the industry  
to revisit old security training models from the past to both general  
staff as well as to the dedicated security staff and professionals  
within organizations and examine and revamp such with a fresh  
perspective given the current dynamic environment for businesses and the

threats businesses face it is important that any such training consider all procedures and policies and be fully integrated into the company culture this includes maintaining an eye on budgetary and financial costs while recognizing the need to budget for more training resources to maintain resilience and adaptability to current challenges and future changes to the environment there is only one way to prepare your staff and that is through comprehensive and consistent training developing a security training program provides the blueprint and tools for professionals to provide ongoing targeted and comprehensive security training at a low budget friendly cost
