investigating the hitherto unexplored topic of how young people understand and relate to religious diversity in the social context in which they are growing up this book

makes a significant contribution to the existing body of literature on religious diversity and multiculturalism it closes a gap in knowledge about young people's attitudes to religious diversity and reports data gathered across the whole of the UK as well as comparative chapters on Canada, USA and Continental Europe reporting findings from both qualitative and quantitative research which reveal for example the importance of the particular social and geographical context within which young people are embedded the volume addresses young people's attitudes towards the range of world religions as well as non-religious stances and offers an interdisciplinary approach through the different analytical perspectives of the contributors

this book reveals one of the most vital yet under researched areas of youth ministry how Christian adults can accompany young people in their spiritual quest or journey for young people discovering who they are is an exciting and essential quest accompanying them in this exploration offers a unique opportunity to enable them to grow in awareness and use their gifts in a creative way for themselves and for the community based on the biblical model of Christ meeting with his disciples on the road to Emmaus the authors show how we can be alongside young people and help them to develop their own confidence and maturity in their faith they consider what is accompanying what is achieved by successful accompanying programmes how does peer accompanying work how leaders can develop accompanying programmes the authors have developed their understanding of accompanying through real life stories and offer practical examples and models of good practice

a comprehensive up to date presentation of how children and young people are affected by and respond to situations of armed conflict and postwar reconstruction war and children a reference handbook looks at one of the most wrenching aspects of armed conflict ranging across the globe to examine the different ways armed conflict and postwar reconstructions affect children and young people and how they have responded to both war and efforts to alleviate war's destruction while war has always affected children the nature of that impact has changed in the last half century civil conflicts break out in mostly poor developing countries with large populations of young people and combatants are less hesitant to turn civilian areas into battlegrounds war and children explores these phenomena by focusing

primarily on recent conflicts worldwide with case studies dramatizing important issues and controversies including the considerable number of children soldiers throughout the world
