this handbook presents a timely broad ranging and provocative overview of the essential nature of ecotourism the chapters will both advance the existing central themes of ecotourism and provide challenging and divergent observations that will thrust ecotourism into new areas of research policy and practice the volume is arranged around four key themes sustainability ethics

and identity change conflict and consumption and environment and learning with a total of 28 chapters the first section focuses on sustainability as a core ecotourism criterion with a primary focus on some of the macro sustainability issues that have an impact on ecotourism foremost among these topics is the linkage to the UN's sustainable development goals which have relevance to ecotourism as one of the greenest or most responsible forms of tourism the chapters in the second section provide a range of different topics that pull ecotourism research into new directions including a chapter on enriching indigenous ecotourism through culturally sensitive universalism the third section includes chapters on topics ranging from persons with disabilities as a neglected body of research in ecotourism to ecotourism as a form of luxury consumption the final section emphasises the link between ecotourism and learning about the natural world including a deeply theoretical chapter on rewilding Europe with contributions from authors around the world this handbook gives a global platform to local voices in both developed and emerging country contexts the multidisciplinary and international Routledge Handbook of Ecotourism will be of great interest to researchers students and practitioners working in tourism and sustainability

Kingdom Ethics is arguably the most significant and comprehensive Christian ethics textbook of our time Michelle A. Clifton Soderstrom North Park Theological Seminary Christian churches across the spectrum and Christian ethics as an academic discipline are often guilty of evading what Jesus actually said about moral life focusing instead on other biblical texts or traditions this evasion of Jesus has seriously malformed Christian moral witness which Jesus said is tested by whether we put his words into practice David Gushee and Glen Stassen's Kingdom Ethics is the leading Christian introductory ethics textbook for the twenty-first century solidly rooted in Scripture and uniquely focusing on Jesus's teachings in the Sermon on the Mount the book has offered students pastors and other readers a comprehensive and challenging framework for Christian ethical thought writing to recenter Christian ethics in Jesus Christ Gushee and Stassen focus on the meaning of the Kingdom of God perennial themes of moral authority and moral norms and all the issues raised by the Sermon on the Mount such as life and death sexual and gender ethics love and justice truth telling and politics this second edition of Kingdom Ethics is substantially revised by Gushee and features enhanced and updated treatments of all major contemporary ethical issues including updated data and examples a more global perspective gender inclusive language a clearer focus on methodology discussion questions for every chapter and a detailed new glossary Kingdom Ethics is for readers anywhere wanting a robust comprehensive understanding of Christian ethics that is founded on the concrete teachings of Jesus and will equip them for further exploration into the field

This publication is a result of the joint conference held by Matsda and Fontys University of Applied Sciences the Netherlands in Tilburg in June 2017 Matsda is an international materials development association founded in 1993 which serves to bring together

researchers teachers materials developers and publishers in an effort to improve the effectiveness of language learning materials the 2017 conference centred on issues related to the development of meaning focused materials for language learning and attracted presenters from twenty five countries stretching from greenland to brazil these issues are reflected in the chapters in this volume with each one focusing on a different aspect of meaning focused materials and many of them introducing the reader to previously unexplored facets of the theory of meaning focused instruction and its application to materials development the contributions here are of essential value to post graduate students to teachers to materials developers and to researchers they are written to be academically rigorous but at the same time accessible to newcomers to the field and to experienced experts alike
