before going to temporary anticipatory sleep in the lord jesus christ marvin moore a veteran writer and theologian has crafted

an intriguing treatise on one of most challenging passages in the beloved apostle s apocalypse the seven trumpets of revelation will exhort readers to diligently prayerfully study these striking themes and carefully evaluate the author s proposals and conclusions moore early asserted his support of adventism s adoption of historicism as the proper mechanism for prophetic interpretation nevertheless he went on to meticulously unpack his reasons for identifying differences between the trumpets and other visions that would otherwise follow the john to the end or daniel to the end pattern though he was firm in articulating his findings he still expected and welcomed disagreement with his customary grace regardless of how readers process the specificities of moore s deductions they will resonate with his emphasis on personal preparedness and practical recommendations to that effect one way or another cataclysmic events will continue to unfold and god has given his people the whole world sufficient forewarning to validate the trustworthiness of his word and the surety of jesus imminent victorious return

earthquakes rip through the world as the creator approaches the stars fall the sun goes dark and the moon proclaims death jesus comes and his powerful presence causes the atmosphere to split and roll away revelation 6 shows people wailing for the mountains to bury them fall on us and hide us from the face of him who sits on the throne and from the wrath of the lamb for the great day of his wrath is come and who will be able to stand and who does stand in that day no one not a single soul it s the total annihilation of a vile self righteous human race god s followers expected all of this to happen on october 22 1844 they watched and waited but jesus didn t return this was only a warning preview of his return in the sixth seal in god s mercy he commands to delay the cataclysm of judgment day so that he can send to the world the needed preparation for the day of wrath that needed preparation comes with the seven trumpets of the seventh seal that occur after 1844 the postponed destruction seen in the sixth seal will yet be a future reality the seven trumpets and the investigative judgment examines chapters 4 11 in the book of revelation and studies how recent events since 9 11 have almost completed god s gracious delay this book presents a new view of revelation that meets the biblical rules of prophetic interpretation and of the inspired testimony of jesus which is the spirit of prophecy rev 19 10 how have we done in this waiting period will we stand when jesus returns by god s grace this book will help you prepare for that great day

trumpets were extremely important in the lives of the people of ancient israel through the use of trumpets god spoke to them guided them warned them and directed them it was the duty of the priests to sound the trumpets at the appropriate times but

sometimes god himself spoke to them directly such as at mt sinai when in awful and terrifying grandeur the sound of the trumpet grew louder and louder as the mighty god of heaven descended in fire and the mountain trembled violently this spectacular demonstration was to prepare the hearts of the people to receive with reverence and awe the pronouncement of his holy ten commandment law ex 19 16 20 21 in fact trumpets were often connected with the law and the ark of the covenant which contained it priests blowing trumpets were to precede and accompany the ark whenever it was transported an example of this is found in joshua 6 1 20 where 7 priests blowing 7 trumpets marched before the ark around the city of jericho for 7 days and on the seventh day they blew the trumpets 7 times and as the people shouted the walls of the city collapsed is the god of heaven any less zealous for his sacred law today than he was in ancient times could it be that even now in our day he is allowing trumpets to blow to warn of the impending collapse of the cities of the nations which are so filled with crime and corruption will he not rise from his throne and oversee the final dispensation of justice upon a world which is careening toward self destruction read the pages of this book and discover the meaning of the extraordinary events that have been happening since the turn of the century and find the way into the safety of god s pavilion

the book of revelation talks about three groups of seven seven seals seven trumpets and seven vials these three sets of seven make up the primary configuration of the book of revelation the seven seals are a long story that ends at the battle of armageddon the seven trumpets are a shorter story that also ends at the battle of armageddon while the seven vials is a real short story that ends at the battle of armageddon the seven vials do not begin until after the mark of the beast is administered this is known because the bible states that the first vial will be released upon those who accepted the mark of the beast therefore we can conclude that all seven vials will be released upon mankind during the final three and a half years before the battle of armageddon and the second coming of jesus christ the last three and a half year period is known as the great tribulation this book explains when the trumpets began and how many have already sounded

the sounding of the trumpets kingdom bible study s from the candlestick to the throne series book six covering the revelation of jesus christ in the sounding of the trumpets from the book of revelation verses 8 6 10 7 this vision reveals the great truth that in the outworking of god s kingdom purposes first something happens in the heavens and then as a consequence certain events take place on earth john sees seven angels standing before god it is a heavenly celestial scene there in the high and

holy presence of god and his throne seven trumpets are given to the seven angels and they prepare themselves to sound as each trumpet sounds there are solemn and marvelous events that transpire in the earth the sea upon the rivers and fountains of water and in the heavens that govern the earth man every divine action that affects the earth realm begins in the heavenly celestial realm the sounding of the trumpets heralds and initiates the next step in god s great redemptive and restorative program the central portion of the book of revelation to which we now come may be likened to a drama in three acts the seals the trumpets and the vials each act of the drama brings to us a view of the same landscape but every time we come afresh to it the view is widened by the fact that we regard it from a greater height and further stage of development with the breaking of the seventh seal we expect the end the final consummation for now the book of life within us is fully open and all the seals are broken we would suppose the work of god is now fully accomplished yet the end does not come john pauses but for a moment before launching on a new series of visions introduced by the seven trumpets which in turn are followed by the pouring out of the seven vials and the events which follow as we look at these three acts of the drama it is clear that each in some measure touches and affects the same realms the heavens the earth and the sea so here we too pause and ask what we are to make of this unique scheme of things
