soul healing reiki

the pleiadian workbook is a direct transmission from the pleiadian emissaries of light light beings from the pleiades who say it s time now for spiritual growth ascension and healing through amorah quan yin we are taught to open our ka channels which pull energy from our multidimensional holographic selves into our physical bodies these galactic healing techniques align us with our divine selves raise our vibratory rates and rejuvenate and balance our bodies while accelerating spiritual evolution and stimulating emotional healing

is suffering simply a part of having a human experience no one gets through life without experiencing pain and trauma and some go through a lot more than others in this month learn from many experts as they guide you how to get to the root of your trauma and how to transmute it into an experience that will allow you to thrive once again know that you are not a prisoner of your lives events this engaging book encompasses a weekly educational and empowering teleseminar which is part of the self care revolution this is an exciting opportunity to be instrumental in creating powerful changes to individual and collective wellness worldwide this revolution is raising the planet to a new level of understanding when it comes to the true health care and it all begins with your self empowering health choices

on ending up in a too familiar situation after years of emotional and physical pain i began searching for answers as to why all these difficulties kept happening it was at this life threatening time that i was first approached by the energy vibration of the four archangels due to the fact i had always seen spirits

as physical people i didn't believe the angels instructions but after another very special visitation where they showed themselves to me which is no easy feat for them i agreed to write their words and that's how this book manifested as i wrote my life began to make sense which now enables me to live with more awareness of what part i have to play in my soul's journey opening my eyes to wonderful new possibilities when angels speak do you listen i did and now you too can experience the higher healing knowledge of how your soul's journey affects your human existence and how you can work with your soul to ease life's impact so give yourself permission to engage with the timeless angelic knowledge that will enable you to encounter a freedom never felt or known before

a powerful new paradigm of understanding which transforms spiritual ideas into the direct living experience of the wholeness and holiness of life combining theoretical discussion practical exercises and personal anecdotes the book enables readers to free themselves from the thoughts and beliefs that limit their happiness and their ability to experience and express unconditional love

what must i do to feel loved and valued through self examination we see patterns that we may have set up to protect ourselves from hurt then authors explore ways to build safe and authentic relationships with god and others

readers of healing the past will learn to move away from victim blame roles understand karmic issues explore their life purpose heal past life trauma call on their guardian angels and reprogram their subconscious minds to attract positive people and events

the strong connection between spiritual physical and mental health is widely acknowledged oster's gently and supportive approach guides readers through spiritual work to aid their physical healing and recovery with guided meditations suggested prayer formats and visualizations the healing mind evolves into the perfect tool for readers hoping to explore the spirit mind body connection for overall health and well being

provides an alternative view of human consciousness a theory of mind and being independent of matter time and space

living wellness is a directory and journal of complimentary practices and providers for the los angeles area it provides detail for each participating practitioner's approach in their work as well as an explanation of each modality included are area practitioners of acupuncture chiropractic naturopaths and holistic medical doctors as well as massage therapy yoga and different bodywork practices such as

pilates and hellerwork the journal section includes an interesting array of articles by doctors psychologists philosophers and spiritual leaders from various communities with such titles as soul retrieval for modern medicine a better birth calling the council in search of a mentor illness as transformation and quantum leap creativity to health

jill e hopkins a mother psychotherapist writer and advocate for children provides rituals exercises and ceremonies that prepare us spiritually and emotionally for the miracle of a new life
