let us get away from spending our energy and resources toward killing each other and creating hell here we can convert this hell into heaven fortunately the job is not as big as it seems we do not have to make it beautiful it already is the only thing we have to do is to take time off our biases and hatred and look around with open eyes we have to remove all layers of biases covering our eyes and we will be able to see a picture we have never seen before we will be able to see colors we have not seen before there is beauty in the greens in scenes in lakes in gardens and parks in mountains in seas and in rivers imagine a lake surrounded by beautiful mountains and a full moon spreading milky moonlight all around how magical it can be we do not have to go to another world to experience this scenes like this exist in our planet

and there are thousands of them if only we instill a desire in us to pay attention there is beauty in people good people generous people nice people helpful people these are people who look toward you with respect and love the people who sacrifice their possessions to give happiness to others there is beauty in smiles of small children and young kids and giggles of teenage girls there is beauty in sitting together talking to each other with no ill will knowing that we all respect each other love each other and care for each other there is beauty and pleasure all around us let us start paying attention to it and start enjoying it before we do that we have to stop taking other peoples rights that is what has caused all the problems to start with this new world will be a lot better than what we have now

though there has been much discussion on the academic aspects of japanese education abroad e g high scores on international tests lesson study there has been little information on the non academic aspects of japanese schooling this non academic aspect is called tokkatsu tokubetsu katsudo unlike math and reading tokkatsu is not confined to a certain period but extends throughout the school day and even after school activities such as school excursions it includes classroom activities such as classroom discussions morning and afternoon meetings that take place daily cleaning and serving lunch school events such as sports day school excursions student councils and club activities such activities occur every single day throughout one s school years from elementary school actually even kindergarten to high school they are however bound together by the common goals of the tokkatsu framework this book is the foremost attempt to address a gap in english literature on tokkatsu
