this manual comprises the third published version of the static 99 and now static 99r coding rules each coding manual has been designed to provide greater detail and a more

comprehensive review of how to code static 99 and static 99r this is the first set of coding rules designed for the revised version static 99r static 99r is intended to position offenders in terms of their relative degree of risk for sexual recidivism based on commonly available demographic and criminal history information that has been found to correlate with sexual recidivism in adult male sex offenders when combined with an appropriate table of norms static 99r characterizes the individual s relative risk for sexual recidivism in terms of how unusual it is using percentiles and in terms of how it compares to the risk presented by the typical sex offender using risk ratios page 8 10

this information rich volume expands current knowledge about sexually violent predators and critiques svp laws with the goal of fostering improvements in clinical practice and public policy it offers a finely detailed evidence base on this problematic class of offenders including the complex interactions of biophysiological and environmental factors that contribute to criminal sexual behavior chapters discuss a wide range of assessment issues and instruments central to svp evaluation and the possibilities for developing interventions that address individual motivations and behaviors to reduce the risk of reoffending and throughout careful attention is paid to ongoing legal ethical and logical concerns regarding sexually violent offenders their treatment and confinement and their post confinement placement among the topics covered civil commitment of sex offenders the physiological basis of problematic sexual interests and behaviors sexually violent predator evaluations problems and proposals cultural considerations in the assessment of sexually violent predators management of sex offenders in community settings effective use of an expert in sexually violent predator commitment hearings offering numerous issues for discussion and debate with considerable implications for clinical practice policy and the judicial system sexually violent predators will interest and enlighten forensic psychologists and psychiatrists as well as social workers policy makers and legal professionals

with a new afterword from the authors the critically praised indictment of widely embraced alternatives to incarceration but what does it mean really to celebrate reforms that convert your home into your prison michelle alexander from the foreword electronic monitoring locked down drug treatment centers house arrest mandated psychiatric treatment data driven surveillance extended probation these are some of the key alternatives held up as cost effective substitutes for jails and prisons but in a searing cogent critique library journal maya

schenwar and victoria law reveal that many of these so called reforms actually weave in new strands of punishment and control bringing new populations who would not otherwise have been subject to imprisonment under physical control by the state whether readers are seasoned abolitionists or are newly interested in sensible alternatives to retrograde policing and criminal justice policies and approaches this highly praised book offers a wealth of critical insights that will help readers tread carefully through the dizzying terrain of a world turned upside down and make sense of what should take the place of mass incarceration the brooklyn rail with a foreword by michelle alexander prison by any other name exposes how a kinder narrative of reform is effectively obscuring an agenda of social control challenging us to question the ways we replicate the status quo when pursuing change and offering a bolder vision for truly alternative justice practices

the assessment and treatment of sexual deviance can be very difficult tasks and it can be hard to find mentors to provide initial skills training and help in navigating the many complexities of a particular case this book presents a series of case studies from international experts in the field that depict the evidence based assessment and treatment of a variety of paraphilias intended as learning tools readers can use as models and from which they can gain insight these case studies are offered as exemplars of clinical problem solving the authors of each chapter provide research evidence that justifies treatment decisions explain their assessment strategies and case formulations and provide information about how to navigate common problems a clinician will encounter such as denial poor motivation and co morbid problems a variety of assessment instruments and treatment strategies are also illustrated both new and experienced clinicians will find this book to be an invaluable resource in their own work

for decades and in some cases centuries individuals families and friends of victims sought out ways to help heal the hurts caused by sexual abuse and implement some way to protect against future harms the recent very public conversations about victims standing up to perpetrators has expanded the reach and public platform of sexual violence prevention efforts in critical ways what might appear a relatively simple task on the surface to define healthy and harmful sexual practices inevitably raises even more questions when the questions and answers are framed and defined through historical cultural social and individual lenses solutions may seldom be simple structured in five parts sex crimes and offenders exploring

questions of character and culture uses healthy sexuality as a back drop for exploring the complicated issue of identifying and punishing sex crimes defining the parameters of sexualized violence and sexual violence prevention the goal is to prevent harm address hurts hold perpetrators accountable and eventually eliminate to the degree possible all future harms the information presented explores individual treatment efforts as well as the social and political responses designed to hold perpetrators accountable and help support victims essential resources made visible throughout this text are provided to help inform young people families faith communities and future practitioners to raise important reflective questions and to serve as a resource for anyone of any age who has suffered harm or perpetrated harm and is in need of support and healing finally the book concludes by shining a light on the efforts each of us can take to identify reduce and work toward eliminating sexual violence and harms additional resources for instructors including powerpoint lecture notes and test banks are provided
